## Disclosure

This portfolio report was generated using Interactive Brokers' PortfolioAnalyst tool, which allows Interactive Brokers clients to generate analyses of their accounts using market data provided by third parties along with trade and account data contained in Interactive Brokers' systems. This report is for information purposes only and is provided AS IS. Interactive Brokers makes no warranty of any kind, express or implied, as to this report and its contents. The data provided for use in the PortfolioAnalyst tool is believed to be accurate, but completeness and accuracy of the information is not guaranteed, and Interactive Brokers has no liability with respect thereto. The data regarding accounts held outside of Interactive Brokers is obtained either directly from your input or from the financial institutions holding those accounts through a third-party service provider and Interactive Brokers has NOT reviewed its accuracy.

The material in this report is intended only as a reference and should not be relied upon for the maintenance of your books and records for tax, accounting, financial, or regulatory reporting or for any other purposes. This report is not an offer or a solicitation of an offer to buy or sell any security. This material does not, and is not intended to, take into account the particular financial conditions, investment objectives, or requirements of individual customers. Before acting on any material within this report, you should consider whether it is suitable for your particular circumstances and as necessary, seek professional advice.
